

Print scale test sheet

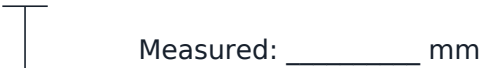

A4 - 210 x 297 mm | One page

- 1. Choose the matching paper size and print this PDF at 100% / Actual Size.
- 2. Disable extra Fit / shrink options. Print one page per sheet, without a borderless expansion.
- 3. Measure between the centers of the endpoint ticks using a physical ruler.

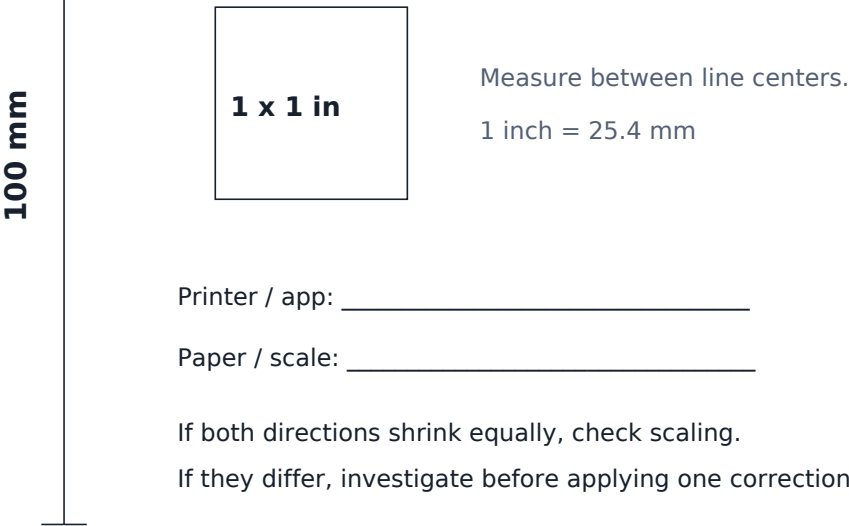

A. HORIZONTAL CHECK

B. VERTICAL CHECK

C. INCH CHECK

Printer / app: _____

Paper / scale: _____

If both directions shrink equally, check scaling.
If they differ, investigate before applying one correction.
